

Stay in network and save

As a Delta Dental PPO (Point-of-Service) member, you can see any dentist you like. However, you will likely save the most money and receive the highest level of coverage when you visit a Delta Dental PPO dentist.

Delta Dental PPO dentists	• No balance-billing (when the dentist charges you the difference between the allowed amount and the dentist's submitted fees) on covered services • Deep network discounts • Dentists file claims for member
Delta Dental Premier® dentists	• No balance-billing on covered services • Significant network discounts • Dentists file claims for member
Out-of-network dentists	• Can balance-bill you for the difference between their submitted fee and Delta Dental's allowed amount • No network discounts • May need to file own claims

If you receive dental care from a provider outside your state's network, please ensure the provider submits all claims directly to your designated Delta Dental coverage provider (e.g. Delta Dental of Michigan, Delta Dental of Ohio or Delta Dental of Indiana).
